**REPORT AND
RECOMMENDATION**

15 Plaintiff filed a *pro se* complaint, Dkt. 1, against the United States Post Office, the United
16 States Department of Housing and Urban Services, and the Social Security Administration. Dkt.
17 1.¹ The complaint was deficient and the Court thus ordered plaintiff to file an amended
18 complaint no later than January 30, 2014. Dkt. 2. Because plaintiff has failed to file an amended
19 complaint, the Court, as discussed below, recommends the case be **DISMISSED** with prejudice.

20 **DISCUSSION**

18 Dkt. 1. As plaintiff was not represented by a lawyer, the Court on, January 7, 2014, ordered him
19 to file no later than **January 30, 2014**, an amended complaint stating what each defendant did;
20 how each defendant's actions caused plaintiff injury; the dates of the alleged acts of each
21 defendant; where the acts occurred; what injury or loss plaintiff suffered; and what damages or
22 remedy plaintiff seeks. Dkt. 2 Plaintiff was also advised that if failed to file an amended
23 complaint that stated a claim for relief by January 30, 2014, the Court might recommend the
matter be dismissed.

24 In response to the Court's order, plaintiff submitted two things. First, on January 22,
25 2014, he filed a letter he received from Everest College that indicated he had been chosen to
26 receive a "Career Training Assessment." Dkt. 8. And second, on January 28, 2014, plaintiff sent
27 an undocketed email message to the Court's electronic orders box which stated:

28 my main problems are @ The United States Department of
29 Housing and Urban Dev. *Alaska *Area *Office (ONAP Office of
30 Native Alaskan Programs) 909 1st ave # 205 and (The Internal

concerning any other amendments, i would be helpful if you could
just email me a amendment form with specific questions you want
me to answer, that could eleviate the post office, the social worker,
and irs workers who sit back in those federal office's @ their jobs,
and can't do nothing but give you (and me), a wrong number.

7 Plaintiff's complaint and submissions are unintelligible. Because plaintiff has not
8 submitted a complaint or an amended complaint that states a claim, the Court recommends the
9 case be **DISMISSED** with prejudice for failure to state a claim upon which relief may be granted
10 under 28 U.S.C. § 1915(e)(2)(B)(ii). A proposed order accompanies this Report and
11 Recommendation. If plaintiff objects to this Report and Recommendation, he must file his
12 objections, limited to 8 pages, by **February 17, 2014**. The Clerk should note the matter for
13 **February 21, 2014**, as ready for the assigned District Judge's consideration. The failure to
14 timely object may affect the right to appeal. The Clerk is also directed to send plaintiff a copy of
15 this Report to his last known address.

16 DATED this 3rd day of February, 2014.
